## PLANT STEM CELL TECHNOLOGY

### **STEM CELL EXTRACTION FROM AWARDING-WINNING MAJESTEM™ (EDELWEISS) AND SNOW ALGAE**

This biotechnological procedure maintains and activates the skin's stem cells. Activated stem cells positively affect multiple areas, including genes, cells, matrix and tissue – areas closely linked to reducing signs of aging. They protect cell DNA, stimulate and improve natural cell renewal, strengthen skin structure, and make skin smooth for firmer and younger-looking skin.

## REDUCES WRINKLES

### **ANTI-WRINKLE PEPTIDE COMPLEX ARGIRELINE®**

VISUALIZE includes an Argireline® complex. Argireline® is a revolutionary anti-aging ingredient that fights fine lines and pronounced wrinkles. It invigorates the skin, leaving it firm and healthy. It also minimizes skin impurities and combats the formation of large pores. Argireline® is the only anti-wrinkle peptide with clinically proven effects.

## MOISTURIZES

### **HYALO-OLIGO COMPLEX (ECOCERT/ORGANIC CERTIFIED)**

A low molecular weight, short-chain hyaluronic acid which penetrates deep into the skin and provides lasting moisture. The Hyalo-Oligo complex supports two times more moisture retention than conventional hyaluronic acid. It improves the structure of the skin's deeper, elastic layers, and actively supports skin regeneration.

### **MOISTURE COMPLEX – CRISTALHYAL® (ECOCERT/COSMOS APPROVED)**

The high-molecular weight, long-chain, biotechnologically derived hyaluronic acid (obtained by fermentation) attaches itself to the skin's deep layer. Here, it forms a protective external layer over the skin. It smooths the skin, making it soft and locking moisture into the deep layer.

## OTHER EFFECTS

- ✓ **VITAMIN E (TOCOPHEROL)** fights oxidative stress by blocking free radicals, increases skin hydration, prevents the appearance of wrinkles, has anti-inflammatory and healing properties, acts as natural protection against the effect of UV rays. Blocks environmental toxins by acting as a skin barrier.
- ✓ **VITAMIN C** has proven anti-aging activity by stimulating collagen production, reduces the formation of free radicals, reduces age spots.
- ✓ **PERSIAN SILK TREE** helps to repair the structure of damaged skin proteins, erases wrinkles, reduces dark circles under the eyes, and helps to get rid of puffy eyes. Improves blood circulation and prevents the formation of age spots.
- ✓ **PAPAYA** is rich in carotenoids, helps fight free radical damage, prevents the breakdown of collagen and elastin and tightens the skin.
- ✓ **MEADOWFOAM OIL** seals in moisture, helps to balance the skin's natural oil production, contributes to a more even complexion.
- ✓ **SWEET CLOVER** helps to reduce the appearance of redness and irritation to leave your skin looking radiant and youthful. It has wound healing, soothing, astringent, refreshing, calming and anti-inflammatory properties.
- ✓ **APRICOT OIL** revitalizes, soothes and can help prevent acne, inflammation, and dryness.
- ✓ **ROSE HIP OIL** stimulates collagen production, improves the appearance of fine lines and wrinkles. It reduces pigmentation, moisturizes the skin, helps improve inflammatory acne and clears up acne scars.
- ✓ **ALOE VERA** moisturizes, calms and soothes itchiness or irritation. It has anti-aging and antimicrobial properties, and is anti-inflammatory. Eradicates skin blemishes, diminishes age lines, and helps to increase the production of collagen.

## ALTERNATIVE PRESERVATIVES

To combat the formation of microorganisms, HANZZ+HEIDI uses nature-identical preservatives, which occur in nature in the same composition, but cannot be obtained in the required quantity or quality. They are therefore synthetically reproduced with the help of chemical reactions, and are approved according to the BDIH natural cosmetics standard conventional preservatives. These do not irritate or dry out the skin.
